PLEASE TAKE NOTICE that the Feather River Air Quality Management District is accepting public comments on a proposed revision to the 2009 Sacramento Regional 8-hour Ozone Attainment and Reasonable Further Progress Plan (Plan). The District will be holding a public hearing on the proposed revision on August 1, 2011. The hearing will be held at the Yuba County Government Center, 915 8th Street, Marysville, CA, 95901. The hearing will begin at 4:00 pm in the Marysville Room (previously Conference Room #1).

The proposed revision would remove the control measure IS-1, Construction Mitigation, from the Plan. The proposed revision would also delay the adoption of amendments to District Rule 3.15 Architectural Coatings from 2012 to 2014. The proposed revision, staff report, and supporting documents are available on the District's website at www.fraqmd.org beginning July 1, 2011. Copies are also available at the District office located at 1007 Live Oak Blvd. Suite B-3, Yuba City, CA, 95991.

For more information, please contact the District at (530) 634-7659 or visit our website at <http://www.fraqmd.org/>. Public comments should be submitted to: David A. Valler, Jr., Air Pollution Control Officer, FRAQMD, 1007 Live Oak Blvd, Suite B-3, Yuba City, CA 95991. Written public comments will be accepted at the office until July 21, 2011. Verbal comments may also be presented at the public hearing on August 1, 2011.
