Air Pollution Control Officer

NOTICE OF PUBLIC HEARING

Amendment of District Rule 3.14: Surface Preparation and Clean-up,
Rule 3.19: Vehicle and Mobile Equipment Coating Operations,
Rule 3.20: Wood Products Coatings Operations,
and Rule 1.1: Definitions;

PLEASE TAKE NOTICE that the Feather River Air Quality Management District ("District") will conduct a public hearing on **Monday, June 6, 2011 at 4:00 p.m.** in the Yuba County Government Center, Conference Room #1 located at 915 8th Street, Marysville, CA. The purpose of the hearing is to consider the amendments of District Rule 3.14 - Surface Preparation and Clean-up, District Rule 3.19 - Vehicle and Mobile Equipment Coating Operations, District Rule 3.20 - Wood Products Coatings Operations, and District Rule 1.1 - Definitions.

PLEASE TAKE FURTHER NOTICE that a Public Workshop will be held to discuss the proposed amendments on **Thursday, April 21, 2011 at 3:00 p.m.** in the Yuba County Government Center, Conference Room #1 located at 915 8th Street, Marysville, CA.

The purpose of proposed Rule 3.14 - Surface Preparation and Clean-up is to limit emissions of Volatile Organic Compounds (VOCs) from solvents used in a variety of commercial and industrial processes. The rule will effectively phase out organic based solvents at high usage facilities and replace them with aqueous or exempt solvents. Proposed Rule 3.19 and Rule 3.20 will transfer all current surface preparation and clean-up requirements over to Rule 3.14.

The analysis for the proposed Rules, as required by California Health & Safety Code section 40727.2, a copy of the staff report, the proposed Rules, and all supporting documentation are available upon request from the District.

By this notice, the public is also invited to comment in writing on the proposed Rules. **All comments must be addressed to David A. Valler Jr., APCO, 1007 Live Oak Blvd Suite B-3, Yuba City, CA 95991, and must be received no later than 5:00 p.m. on May 23, 2011.** For more information, please contact Tim Mitro at (530) 634-7659 ext. 208 or visit our webpage at <http://www.fraqmd.org>.
