3. TRANSFER INFORMATION

YES NO

Will the ERC Certificate be transferred in whole?

YES NO

If a partial transfer of the ERC Certificate is occurring and there is more than one emission element, has the transferor detailed which ERCs are being transferred using the space below?

YES NO

Is this transfer Permanent? If not please specify, the following:

Date of Expiration: _____

Initials of Authorized Official: _____

Specify the ERC Certificate Emission Elements (by name and number), the pollutants, and the amounts that comprise the authorized transfer.

4. COST INFORMATION

(a) Transaction Type¹

Purchase Barter Subsidiary Other

(b) ERC Costs:

Pollutant	ERCs transferred (tons/yr)	Total Cost (\$)	Unit Cost (\$/ton)
ROG			
NOx			
PM ₁₀			
SOx			
CO			

¹ If barter was involved and/or no money was exchanged for the ERCs, please calculate an equivalent "dollar per ton" value for the credit transaction. Barter can include one company placing controls on another company to generate ERCs. The price should reflect the total cost to install the equipment and any additional fees paid as part of the agreement between both companies. The price paid should reflect the value of the ERC at the time of the transaction.

(c) Yes No Are the total cost values stated above one time payments? If No, please explain in detail the nature of the payments:

(d) Yes No Are there any other payment provisions associated with this transaction? If Yes, please detail:
