

FEATHER RIVER AIR QUALITY MANAGEMENT DISTRICT
MEMORANDUM
August 7, 2017

TO: FRAQMD BOARD OF DIRECTORS

FROM: Christopher D. Brown, AICP, APCO

SUBJECT: Approve the use of AB2766 (Blue Sky Funds) to contribute \$1,500 to Capitol Region Local Policymakers Dinner Series.

RECOMMENDATION:

Consider the request for sponsorship in the amount of \$1,500 to contribute to the Capitol Region Local Policymakers Dinner Series.

ALTERNATIVES:

Do not approve the sponsorship.

BACKGROUND:

The Local Government Commission (LGC) hosts the Capital Region Local Policymakers Dinner series and depends on funding in the form of sponsorship. As the meeting topics are about better land use planning, air quality issues, transportation and transit and livable communities in the Greater Sacramento Region. This project fits the parameter for dealing with the effects of motor vehicles and implementing the California Clean Air Act and is able, with board approval to be expended from the AB2766 (Blue Sky) project funds.

DISCUSSION:

The district has contributed to this program for a number of years, and has reduced the sponsorship to \$1,500 two years ago.

A letter dated 05/10/2017 has been received from Ms. Kate Meis, Executive Director of the LGC thanking us for our past support and requesting a sponsorship of \$1,500 for dinners to be scheduled for the 2017/18 series.

FISCAL IMPACT:

Funding would be issued from the Blue Sky Fund project allocation for fiscal year 2017/18, reducing the project fund by \$1,500. While funding is available this item is not currently budgeted.
