FEATHER RIVER AIR QUALITY MANAGEMENT DISTRICT **MEMORANDUM** 06/05/2017

TO:

FRAQMD BOARD OF DIRECTORS

FROM:

Christopher Brown AICP, APCO

SUBJECT: Approve the Proposed Budget.

RECOMMENDATION:

Approve the proposed budget.

ALTERNATIVES:

Do not recommend the budget as presented.

BACKGROUND:

The District held a Policy/Finance Committee meeting on Wednesday, May 24th to review the proposed budget. The Committee recommended approval of the proposed budget.

The District holds 2 funds in the Yuba County Treasurers office, Fund #725 District Fund and Fund #728 Moyer/Mitigation/AB 923 Project Fund that is restricted to projects only.

The District is recommending to the Board as part of the budget adoption process, a Consumer Price Index increase of 2.2% to stationary source fees consistent with District Rule 7.0(c), Consumer Price Index adjustment of fees. A public notice to this effect has been duly noticed.

DISCUSSION:

As requested previously by the Board of Directors there is a three year comparison. The percentages are calculated based on the FY 16/17 fiscal year vs. the FY 17/18 fiscal year.

The asterisk items in the FY15/16 and FY 16/17 include budget transfer allocations that were approved by the Board of Directors throughout the fiscal year for actual budget comparisons.

Page 1, <u>Salaries and Benefits</u> have included all negotiated items with the 3 year agreement between the District and Employees. The overall increase to Salaries is 3%.

Page 1, <u>Services and Supplies</u> subtotal reflects a 5% decrease for an Overall Operational Total increase of 1%. Pages 4, 5, and 6 are the listing of Services and Supplies recap that breaks down the allocations by subcategory.

New this fiscal year, Page 2 is a CalPERS expense for Unfunded Liability and Retiree OPED (other post employee benefits). These allocations were previously reflected in Salaries and Benefits, however; as the amounts are district incurred liabilities for retirement the allocations were categorized accordingly as to not reflect an inflated increase to Salaries and Benefits. Additionally, under the <u>Grants</u>, (Encumbered Projects awarded), page 7 is a listing of the individual projects committed but not expended to date.

Total expenses that include Salaries, Services and Supplies, CalPERS and Grants reflect a 1% increase over last fiscal year.

Page 3, <u>Subtotal Revenues</u> reflects 2% increase by incorporating 2.2% CPI. The revenue carry-over down by 8% is reflected conservatively as the number is an estimate, not actual. In preparation of the Final Budget, the carry-over shown will be actual. Adjustments made to the fund balance will be increased or decreased to the appropriation to Contingency Reserve.

The bottom of page 3 (fund balance) reflects a negative amount for both FY 15/16 and FY 16/17. The negative totals represent direct payment or transfer from the contingency reserves.
