Voucher Disclaimer

- The Standard Voucher is valued at \$2,500 for new pellet, wood-burning, and electric stove devices or \$5,000 for new electric heat pump installations to cover eligible project costs.
- The Enhanced Voucher is valued at up to \$7,000 for new pellet, wood-burning, and electric stove devices or \$12,000 for new electric heat pump installations to cover eligible project costs.
- Eligible project costs include the cost of the new device including sales tax, installation including any parts, materials, permits or labor required for the safe and legal installation of the device and disposal of the old stove or insert. The new device is expected to be a **basic model** that will be safe, clean-burning, and efficient.
- This Voucher is valid for the following:
 - Replacement of a non-certified wood stove/insert or open hearth fireplace used as a primary source of heat with an EPA certified wood or pellet stove / insert, electric stove / insert, or electric heat pump. New EPA certified wood and pellet stoves / inserts must meet Step 2 standards with a 2.0 grams per hour emission rate. Only a limited number of non-catalytic woodstoves are available. Participating Retailers will assist with offering compliant devices.
- The primary residence or long-term rental home must be located within Yuba or Sutter Counties.
- If the replacement device is an electric heat pump, the household may be allowed to retain the old wood burning device to serve as emergency heat only in case of a power outage. A certification form will be required.
- This Voucher cannot be redeemed by the applicant for cash. It only can be used in conjunction with the purchase of a new qualified device from a Participating Retailer. A Voucher given to a non-participating retailer shall not be accepted and the Voucher amount will not be honored by Feather River AQMD.
- The Voucher is not valid until signed by the customer.
- This Voucher must be given to the Participating Retailer at the time of purchase of the new appliance. If you do not provide the original voucher to the Participating Retailer at the time of purchase, the Participating Retailer will not be obligated to give you the discount at the time of purchase or at a later time.
- Funding for the Voucher is first come, first served. The voucher will only be valid for four weeks from date of issuance.
- The device must be installed by a licensed Installer, **not** the Home Owner.
- This Voucher will be forfeited if false information is provided to the District or if the required information is not submitted to the Feather River Air Quality Management District prior to the expiration date listed on the Voucher.
- This voucher program is supported by the California Climate Investments (CCI) Program.
