

FEATHER RIVER AIR QUALITY MANAGEMENT DISTRICT  
Memorandum  
2/25/2019

TO: FRAQMD BOARD OF DIRECTORS

FROM: Christopher D. Brown AICP, APCO

SUBJECT: Approve the appointment of Larry Munger to the Hearing Board for the period of February 26, 2019 to February 26, 2022.

---

RECOMMENDATION:

Approve the appointment of Larry Munger to the Hearing Board for the period of February 26, 2019 to February 26, 2022.

ALTERNATIVE:

Do not approve the appointment to the Hearing Board.

BACKGROUND:

The California Health and Safety Code section 40801 stated that a hearing board shall consist of (a) one member admitted to the practice of law in this state. (b) One member who is a professional engineer registered as such pursuant to the Professional Engineers Act. (c) One member from the medical profession whose specialized skills, training, or interest are in the fields of environmental medicine, community medicine, or occupational/toxicologic medicine. (d) Two public members.

Section 40802 states that if the district board, in the case of a district with a population of less than 750,000, is unable to appoint a person with the qualifications specified in section 40801 who is willing and able to serve, and for that reason a vacancy exists on the hearing board, the district board may, in order to fill that vacancy, appoint any person to the hearing board.

DISCUSSION:

The District Hearing Board has been one position short since 2017. The application is attached to this memorandum for your consideration.
