Applicant Funding Disclosure:

Has the project in this application been awarded funding or is being considered for funding from another public agency? If yes, please provide agency name, amount of funding, and status of application for funding:

Application Statement:

All information provided in this application will be used by the FRAQMD to evaluate the eligibility of your proposed project to receive grant funding. The FRAQMD reserves the right to request additional information and can deny the application if such requested information is not provided. An incomplete application is an application that is missing information critical to the evaluation of the project. If the applicant does not respond within 30 days, the application will be automatically terminated.

- I certify to the best of my knowledge that the information contained in this application is true and accurate.
- I certify that the existing vehicles/equipment/engines referred to in this application are operational.
- I understand that all technologies must either be verified or certified by CARB to reduce Oxides of Nitrogen and/or other criteria pollutants.
- I understand that there will be conditions upon receiving grant funding and agree to refund these funds if it is found that at any time the conditions/contract are not met, and if so directed by the District.
- I understand as a participant that programs have limited funds and shall terminate upon depletion of those funds. The FRAQMD shall be under no obligation to honor requests received following depletion of program funding. I acknowledge that in accepting any incentive funding, I will be prohibited from applying for any other form of emission reduction credits from the District.
- In the event that the project does not complete the minimum term of any agreement eventually reached from this application I agree to return to the FRAQMD a pro-rated portion of incentive received based on activity and/or usage up to and including the full amount of the original incentive provided as directed by the FRAQMD. I understand that the FRAQMD may relieve this obligation to return the funds depending on the circumstances.
- I understand I must be in compliance with all applicable federal, state, and local air quality rules and regulations.
