Air Pollution Control Officer

**REQUEST FOR PUBLIC COMMENT and PUBLIC HEARING
ADOPTION of RULE 1.3 – EMERGENCY DECLARATION**

PLEASE TAKE NOTICE that the Feather River Air Quality Management District (District) will conduct a public hearing on Monday, August 1, 2022, at 4:00 p.m. The purpose of the hearing is to receive comments and consider the adoption of Rule 1.3 – Emergency Declaration.

Due to the COVID-19 outbreak, the Public Hearing may be held virtually or at 541 Washington Avenue, Yuba City. Regardless of the type of hearing, the public may attend remotely via a Zoom video link or telephone. Additional information, including the video link and telephone instructions will be posted at FRAQMD's website, www.fraqmd.com, under the Public Notices icon.

The proposed Rule 1.3-Emergency Declaration would allow the Air Pollution Control Officer to execute an emergency order in the event of a state or federally declared state of emergency to better respond to actions that improve compliance for local sources of air pollution. The rule amendments and staff report are available on District's website: www.fraqmd.org and can be emailed or mailed upon request by calling (530) 634-7659 ext. 0.

By this notice, the public is invited to comment on the actions. Written comments can be mailed to Christopher Brown, APCO, FRAQMD, 541 Washington Avenue, Yuba City, CA 95991, or emailed to: ksanders@fragmd.org. Written comments should be received no later than 5:00 p.m. on July 29, 2022. Comments may also be presented at the public hearing on August 1, 2022.
