

FEATHER RIVER AIR QUALITY MANAGEMENT DISTRICT  
MEMORANDUM  
02/05/24

TO: FRAQMD BOARD OF DIRECTORS

FROM: Christopher D. Brown AICP, APCO

SUBJECT: Release from inventory the 2007 Ford Escape, send to Sutter County Fleet for auction and authorize the APCO to execute related documents.

---

**RECOMMENDATION:**

Authorize the APCO to release the 2007 Ford Escape from inventory and send it to Sutter County Fleet for sale at auction.

**ALTERNATIVE:**

- 1.) Direct APCO to repair the 2007 Escape at an estimated cost of \$5,521 and authorize a transfer from contingency reserves for that amount.
- 2.) Take no action.

**BACKGROUND:**

On January 17, 2024 the District's 2007 Ford Escape suffered a hybrid battery pack failure. The replacement cost of this battery pack is estimated at \$5,521. The value of the 2007 Ford Escape (in fair condition) is \$1,656.

Staff conferred with Sutter County Fleet Management who concurred that it would not be cost effective to repair the vehicle. The 2007 Ford Escape would be taken to Sutter County Fleet and sold at auction sometime in 2024.

**FISCAL IMPACT:**

No fiscal impact. The District is not looking to replace the 2007 Escape at this time.
